

***LTAP helps municipalities make the most of their budgets by providing free roadway maintenance and safety classes.***

## **Risk Management Strategies**

**Class Date: October 10, 2018**

**Class Time: 8:00 AM – 12:00 PM**

**Location: Delaware Valley Trusts  
719 Dresher Road, Horsham, PA 19044**

**Course Description:** This course discusses the importance of maintenance crews and their operations in reducing municipal liability. The course helps participants understand and assess their major liability exposures by identifying high tort areas in roadway activities. It explains tort liability and the tort trial process, and presents the basics of implementing and maintaining a risk management program.

**Intended Audience:** As this course reviews the importance of roadways and roadway maintenance operations in reducing municipal liability, the primary audience is everyone involved in municipal roadways. This audience includes: public works employees, roadmasters, street superintendents, elected officials, law enforcement personnel, municipal managers, and engineers.

**Sign up online: [www.ltap.state.pa.us](http://www.ltap.state.pa.us)**

**Sign in to your account if you have one, or create a new one if you do not. It's easy!  
Then, pick the class, select the section you want to attend, and sign up.**

**Space is limited – apply now!**
