

# Delaware Valley Trusts Online University User Friendly and Available 24/7!

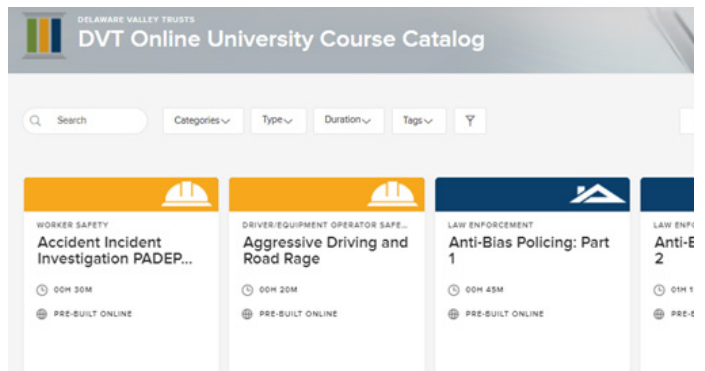

Contact [Training@dvtservices.com](mailto:Training@dvtservices.com)  
to activate your account today!

The **DVT Online University** is a value-added benefit available to Workers' Compensation and Property & Liability Trust Members at no cost. Learners have access to **over 350 courses** on topics including workplace health and safety, defensive driving, employee development, leadership, law enforcement, and cybersecurity. Several courses also offer PADEP Water and Wastewater Operator Credits!

## Featuring Learning Plans

“Learning Plans” are groups of courses that meet a specific objective (i.e. new hire orientation, safety refresher courses, etc.). Learners can enroll or be enrolled by an Administrator.

The user-friendly platform allows Learners to enroll in courses, view completed or past due courses, and print training certificates. Navigate to the Course Catalog to search for classes applicable to your field. Example: To find DEP approved courses, search “PADEP” with the search tool.

## Ready to start training?
