

DVWCT and DVPLT Training Announcement

Title: Highway Workzone Safety and Flagging

Description: This training satisfies the requirements of Penn DOT Pub. 408, Sec. 901 related to minimum competencies for work zone flaggers and other road workers. Topics covered include fundamentals of work zone traffic control, project planning, personal protective equipment, placement of traffic control devices, use of shadow vehicles and proper flagging techniques. Attendees who pass the final exam receive a certified flagger wallet card valid for three years. **This course is approved for 3 Pa. DEP water/wastewater operator contact hours.**

Limited space available – max of 25 participants will be enrolled.

Provider: Peter Erndwein, Director of Risk Control

Schedule: Thursday, October 6, 2022
9:00 a.m. to noon

Location: Delaware Valley Trusts Training Center, 719 Dresher Road Horsham PA 19044

Cost: Open to DVWCT and DVPLT members at no cost

Deadline: Two weeks prior to training date.
